Get EPIC'r! Your Daily Fill Releases *Epic Skater 2* App for iOS, Android

The sequel to the hit mobile endless skateboarding game *Epic Skater*, by former developers of the *Tony Hawk Pro Skater* series

HOUSTON, TX---Your Daily Fill is proud to announce ***Epic Skater 2*** is now available from the App Store and Google Play. ***Epic Skater 2*** is an action sports platformer and sequel to the highly rated *Epic Skater*. In ***Epic Skater 2***, core gameplay centers around crowd-favorite player controls and our "Trick & Combo" scoring system.

The new Career Mode adds 24 unique levels with 3 tiers of difficulty in addition to the classic Endless Mode. Create-A-Skater, contains over one billion outfit combinations with update packs on the way. Vertical Skating and Wallplants allow the player to turn around explore the world in any direction. Daily Challenges and a Dynamic Goal System lay the framework for light and deep, progressive gameplay. There are over 44 unique, upgradeable tricks for epic combos.

Epic Skater 2 is packed with all the fun and depth of an action sports console game combined with the ease-of-play and convenience of the mobile platform. With future updates and gameplay expansions on the roadmap, we intend to make ***Epic Skater 2*** one of the most fun games to play this Summer and for years to come.

The ***Epic Skater 2*** app is available for free from the App Store and Google Play at www.itunes.com/appstore and play.google.com/store/apps

About Your Daily Fill

Your Daily Fill creates Action Sports games with a "Fun-First" strategy. Based in the US, our team originally met working together at Neversoft Entertainment where we collaborated on several games for the Tony Hawk Pro Skater and Guitar Hero series. We make Action Sports games with broad appeal designed for casual and hardcore audiences.
